

***Thank you for your role in communicating that disability is a valued aspect of campus diversity.***

The Accessible Education Center (AEC) facilitates access and inclusion of students with disabilities through support for testing, reading and writing, adaptive technology and more.

Students may benefit from connecting with the AEC if they:

- Had a **504** or **IEP (Individualized Education Plan)** in high school, or
- Experienced barriers that may point to a history of disability, including ADHD, learning disability, mental health concern (including PTSD, anxiety, depression), Asperger's or Autism Spectrum, chronic health conditions, hearing, vision, mobility challenges, etc.

**AEC Overview Session:**

Day 2 of IntroDUCKtion

**10:00 AM** or **12:00 PM**

Information about support for disability-related barriers at UO and sign up for individual appointments with access advisors.

**On Transfer Days please send students directly to AEC to learn more.**
