The image shows a screenshot of the University of Oregon Testing Center website. At the top left is the University of Oregon logo, consisting of a large 'O' followed by the text 'UNIVERSITY OF OREGON'. To the right of the logo is an 'APPLY' button. Below the logo, the text 'Testing Center' is displayed in a large, yellow, underlined font. To the right of this text is a search bar with the word 'search' inside. Below the 'Testing Center' text is a horizontal navigation menu with five items: 'Undergraduate Tests', 'Graduate Tests', 'Nontraditional Credits', 'English as a Second Language', and 'Licensure and Certification'. The 'Undergraduate Tests' item is highlighted with a red rectangular border. Below the navigation menu is a photograph of the testing center interior. The photo shows a hallway with a green wall. On the wall, the words 'breathe', 'achieve', and 'believe' are written in a cursive font. There are framed pictures on the wall, and a yellow paper lantern hangs from the ceiling. A sign that says 'TESTING' is visible on the right side of the photo.

FIGs for International Students

 Global Bridge iFIGs

What is the Global Bridge iFIG?

- A FIG designed specifically for first-year international students who test into five or more AEIS courses.
- Cohort of 20-22 students, taught by an AEIS faculty member and a Peer Mentor
- A FIG equals 13 credits of a student's schedule. Includes 2 AEIS courses, a general-education course, and a 1-credit small called College Connections
- The Global Bridge iFIG Program is a year long program. Students admitted in fall remain in the program for the full academic year.
